Chieftains Attack

Although the road to victory had a few detours, this year's 1981 Chieftain Football Team went on to prove that nothing can keep our guys from coming on strong. Our team went through many hard-working practices this season, and it really showed. With only 3 losses, (2 to Evergreen and 1 to Kelso, with overtime) the team went on to show real dominance over the opponent with a season-end record of 6-3. Our tough Chieftain Team was well coached and it proved it with each game. This years captains were seniors Bruce Barnum, Trent Duncan, Rudy Lies, Byron Monahan, Larry Quandt and Todd Swan. This years Most Inspirational Award went to Bruce Barnum.

Rally Squads Get Cheers

The 1981-82 Chieftain rally squads did many things to get Chiefs in the school spirit. They organized the Homecoming week activities in the fall, and participated in cheerleading contests throughout the year. The Gold Rally was particularly impressive, winning the 1981 Summer Cheerleading Camp Competition. The girls all practiced before and after school, and the amount of work they put into their commitment really showed at games when they proved that "We've Got Spirit!"

Although they had a late start, these girls really came through with a good performance for the Chieftain Fans. The Team also performed with the Band during Marching season. With only three performances for the season, the girls still showed true Chieftain Spirit.

Color Guard Accents Band

This years Color Guard had a very rewarding season. The Color Guard did many new things never done before. While still marching with the Band during Parade and Football Season, the Color Guard also performed a dance during a Pep Assembly, did two half time shows at the Boys' Basketball games, Went to Kingdome with the Band and did the Spring tour also. Under the direction of Captain Dena Aspaas, the Color Guard won the Bandino Award which was well deserved. These girls showed real talent and real C.R. spirit. We hope next years Color Guard has the same exciting season as this ones did.

CR Bands Have Pride

The 1981-82 Chieftain Band had a great year of music. The marching band's highlights included a trip to Corvallis, Oregon for the OSU Band Day, the Kingbowl Marching competition, and the Spring Tour with the stage band and swing choir, when the groups traveled to Aberdeen and Montesano, Washington. The concert band also did well, receiving a superior "1" rating at the LCRMEA Band Contest at Fort Vancouver High School. The stage band had a year full of impressive performances, and the pep band provided winning spirit at basketball games. And the best part about being in band was the togetherness that could be felt at football halftime performances or on band trips when the slogan was: We Have Pride — We Are CR!

Choirs

1981-1982 was an excellent year for Columbia River's choirs. The Swing Choir was very busy this season. They have done a wonderful job representing River in performances throughout the year with a special performance at the end of the year during both lunches in the cafeteria.

Our Concert Choir had an exciting year. They performed in the Rotunda at the Capital and received very good scores in large group contests, as well as, performing at Vancouver Mall and other places.

The Sophomore Chorus did an outstanding job, also. The received first place in the canned food drive. They performed in winter and spring concerts including singing for the junior high classes.

Distributive Education Clubs of America, otherwise known as DECA, are a national leadership club based on marketing and retail business.

DECA club members range from grades 10 to 12. Sophomore year is called prep year, because although some sophomores do have jobs, they are usually too young to work. Instead, they study various jobs, careers and working environments. In their junior and senior years, students must have jobs and usually compete in job-related areas at DECA conferences.

DECA members set up a variety of fund raisers for charity, as well as for the DECA Club. The activities this year include selling key chains and calendars and putting on the annual homecoming talent and fashion shows. The money that is earned goes to help send DECA members to area and from other schools by taking tests to demonstrate their knowledge of the business world.

Running the student store is yet another part of DECA duties. The third year seminar class manages the student store and the students from intro. and co-op help run it by working their study period. All benefits from students store go to the DECA fund. The student store provided CRHS with snacks to feed a hunger pain or with supplies needed for school. Thanks should be given to the members for making the student store possible.

One of the units covered in the Family Relations class is how to plan and organize a mock wedding. Depending on the size of the class, two to four girls are chosen to participate as brides in this event. Everyone has a part in the wedding. There are committees such as decorations, food, music, invitations. The bridesmaids and groomsmen for the wedding parties were Tracy Sheuerman, Jennifer Thomas, Kim Session. Scott Smith, John Brown, and Arnie Kainu. This is considered a very enjoyable class because of its practical applications to real life situations.

Foreign Exchange

The foreign exchange system brings to us students from many different countries through various programs. When a student is exchanged and comes to the US. he or she lives with a host family, and are considered as a member of the family for the length of their stay. The exchange students who will graduate from River this year are the following: Issabella Mshimba, living with the Smith family; Heidi Huotari, living with the Birland family; Hug Schouten, living with the Halleck family; Charles Schweicher, living with the MacDonald family; and Gabriela Nenninger living with the McAllister family.

Other students who visited River for only a short time were; Fernado Luis Suarez from Bolivia, J. Gerado Fernandez Atilano from Phillipine Islands, Hideyuki (Oscar) Iwaki from Japan, and Marco Antonio Bothello from Brazil. We at Columbia River High School hope that the students' visit here was pleasant, and that they will take home with them part of our culture as we have taken to our hearts a part of their culture in getting to know them personally.

French Club

The French club, headed by Mrs. Franklin, had a busy year filled with cultural activities. They sold Spook-o-Grams at Halloween and sold tickets at football and basketball games. The money they raised from these enterprises was used to pay for a dinner at a posh French restaurant.

The highlight of the year was the annual French Parents' Night. In keeping with the theme "Mardi Gras," it was an evening of music, french food, and, of course, the Can-Can. The parents seemed to enjoy themselves and the event was termed a success.

The 1981-82 school year was a successful one for Columbia River's German Club. The first major activity for the club was their participation in the foreign language Halloween Party in October. During the days preceeding the Winter Holidays, German Club sold homemade apple cider. Looking toward the 1982-83 school year, the club planted pumpkins to sell during Halloween.

VICA is a club that is connected with each of the vocational classes not only at Col. River but at the other high schools as well. The purpose of the club is to promote Leadership and to bring students together who have common interest in vocational classes.

Each club plans yearly fund raising events, social functions, and district and state competitions in their specific subject areas. Our VICA clubs social function this year was a Basketball night in which the ½ media technology class to a basketball game. Horticulture

This year's horticulture classes did everything from planting seeds to landscaping miniature model homes. Under the direction of Mr. Dave Lambert, Vancouver School District's Teacher of the Year, students learned to identify plants as well as grow and take care of them. The first-and second-year students together held two plant sales in the main hall to pay for transportation to and from many horticulture contests including the state contest, at which the team received second, third, and fourth place banners. This year's big horticulture project was building a brick "Senior Sidewalk" between the library and the 400 wing.

Forensics

The 1981-82 Forensics team had, "By far the best year ever." According to Forensics coach, Terry Glafka. The team consisted of fourteen intelligent, hardworking juniors, and seniors. They competed in many debates this season.

Their first tournament was on November 13 and 14, at St. Martins in Lacy, Washington. LeVin Harris was the big winner there.

Other tournaments were on December 4 and 5 at Western Washington University. Bellingham, February 5 and 6 at the University of Puget Sound in Tacoma. And Lewis and Clark College in Portland on February 12 and 13.

The district tournament took place here on February 26 and 27. The team of Lynelle Waite and Carol Camp took first in district, which qualified them for state. State took place at the UPS on March 13th. Carol Camp, Mark Cole, and Vickey Waggoner all placed in their individual events. Not only was this the largest group Mrs. Glafka ever took to state, but LeVin Harris placed 2nd, the first time anyone from Columba River placed at state.

The highlight of this season was that the school, and nine of the Forensics team members joined the National Forensics League. This year's fund raising went very well, it included a garage sale, the Sadie Hawkins dance, and sale of basketball game tickets.

Chant's New System Successful

Cherie Lindstrom is working hard on a story.

Some of the staff smiles for the photographer.

The 1981-82 school year brought to the Chant not only a new editorial staff, but a new hyarchical system of organizing them. Instead of an Editor-in-Chief, a Managing Editor's job was created, along with a board of department editors. The new system met with great success as this was one of the best years yet. A majority of the editorial staff will return next year, as they are mostly juniors. The editorial staff includes: Managing Editor Clara Johnson, Advertising Editor Mike Rochel, News Editor Michelle Reed, Feature Editor Carol Moyers, Sports Editor Cheri Lindstrom, and Circulation Editor Fred Grandy.

Tyee Staff

The 1982 Tyee worked well together under the direction of Editor-in-Chief Kim Sessions and Copy Editor Michelle Hefflin. Kim, who was the only sophomore in the '81 staff, attended yearbook camp that summer and became the first Junior ever to be Editor-in-Chief.

The staff was made up of students who wanted to get involved in making the book, because of dissatisfaction with previous yearbooks or just to preserve high school memories. They found out that yearbook making was not easy and that the biggest problem was getting pictures for layouts. All-in all, despite frantic deadlines and lack of photos, the staff had a fun and productive year — And hopefully an equally good yearbook.

Class Councils

Seniors

The 1981-1982 Senior Class Council made a real change in our school this year. Karyn Coons, Rhodora Estigoy, Kristy Gildart, Doug Preuss and Tracy Tingly brought forth real leadership and pride to River. These 5 had many accomplishments: Homecoming Dance was one, but the biggest was the Senior Breakfast and Talent Show. This is one of the biggest events for Seniors and it went really well. The council worked very hard and we would like to thank them.

Juniors

This year's Junior Class Council consisted of 5 very talented and outgoing Juniors. Leah Arneson, Cindy Hogan, Kari Oosterveen, Tim Potter, and Scott Smith showed real team work. Some activities accomplished by this year's council were, Key Chains, TOLO Court voting and the biggest job of all, Junior-Senior Prom. The Junior Class Council did a really great job and showed what real team work can do.

Sophomores

Starting High School can be an exciting thing, and with the help of 5 young ladies the year was great for all. Marijean Baird, Amy Gwinn, Shelli Johnson, Vicki Newbill and Sheryl Small really came through with some great activities and fund raisers. Homecoming and TOLO decorations, helping organize assemblies and other activities made the year fun. Some fund raisers accomplished by these girls were: Baby Pictures Contest, and Santa-Grams. These girls did a great job all together and we hope they continue the good work.

Executives

"If you have a problem that hasn't been solved, it's probably because you won't get involved." This was the motto of the 1981-82 Executive Council consisting of President Mike Miller, Vice President Missi Dynes, Activities Coordinator Ann Price, Secretary Paige Gonzalez, and Treasurer Darla Smarz. The council strove to better the activities, attitude and unity of the entire student body.

Some of the basic responsibilities that the officers held included approving all purchases, and overseeing social events.

In accordance with their pledge to get more people involved and better informed the council re-enstated the student representation system.

The members of the council felt that indeed their goal of unity and better attitude was achieved. It was evidenced in the great amount of support that Mike, Missi, Ann, Paige, and Darla received in virtually every pursuit. Some problems were solved because everyone got involved. That made 81-82 a great year for everyone.

Executive Council hopes that the underclassmen will continue in this, more spirited tradition and gives its hartiest thanks to all the Chiefs at Columbia River during the 81-82 school year.

Exec's fearless leader Bill Mitchell.

The year of 82 went through many changes. Those daring people who wore these new styles really turned our school into an interesting place. It was fun to watch what everyone was wearing and maybe tempt ourselves into trying or buying a new outfit to wear. The preppie look was in and designers were out, as nothing came between Chieftains and their Calvins, except Levis. Ruffles adorned the blouses, Punk hair, Jean Skirts and Izods claimed our School. Not to mention the pitterpatter of Cowboy boots filling the C.R. halls.

The year of 82 was also filled with new entertainment. "Raiders", "MASH", and Journey were the favorites of our Chieftains. Rick Springfield, Patt Benatar, and the album: "Escape" were most listened to. River went through many changes but seemed to enjoy it.

1982

In Memory of
Lauria LeeAnn Brown

January 12, 1964-April 14, 1982

OUR SWEET LAURIA LEEANN

I give to you my baby girl
She was just barely grown
A life so full of love to give
And dreams of joys unknown.

I know not why she had to leave
Is this part of your plan?
Those of us left behind will grieve
For our sweet Lauria Leeann.

Take us in your arms Dear Lord
And give us strength each day
We need your help to guide us through
And show us all the way.

So we too may come to you
As gentle and wise as she
With hearts as pure and loving
As was our Lauria to Thee.

Love,
Momma

HEY JEFF,
NOW THAT WE'RE SENIORS, WE'D
BETTER BE CAPTAIN ASS-KICK

Jeff,

Hi, what a great
year this is. I can't
believe we are finally
seniors. Have fun in "83",
and the rest of your life.

Greg
